

Congratulations on your choice of quality flooring from Rusta!

Rusta guarantees the original purchaser that:

- The surface of the laminate flooring will not wear through as a result of normal use during the warranty period. See the warranty for each individual flooring.
- The laminate flooring is not stained by common household chemicals.

This warranty is valid under the following conditions:

- The flooring is properly installed according to the instructions for each flooring and on a suitable surface.
- The flooring is cleaned regularly as directed.
- The flooring is used under normal conditions in an indoor environment. If the flooring is installed in an environment that is not recommended in the laying instructions, the warranty does not apply. Never install the flooring in wet rooms or outbuildings.
- Any damage to the flooring is not caused by improper handling, excessive force, fire or water damage. The flooring has not been cleaned improperly or with the incorrect cleaning products.
- Any damage to the flooring is not caused by normal wear and tear, such as scratches, abrasions or tears.
- Any complaints regarding wear concern an area of at least 1cm², the damage is fully visible and fully worn through.
- Any complaints regarding laminate boards with design flaws, fitting faults, or surface defects must be submitted and the relevant item replaced before the flooring is laid. If incorrect boards are fitted, the warranty is not valid.

- Any damage claim must be submitted in writing along with pictures, with a detailed description of the damage or problem. The written claim must be submitted to Rusta along with a purchase receipt and proof of warranty with the relevant complaint period in accordance with the Swedish Consumer Purchases Act.
- Rusta reserves the right to change and improve the product.
- Rusta determines if any damage is covered by the warranty.
- Rusta does not permit other persons to create further obligations or liabilities in connection with this product.
- Where Rusta accepts the claim, Rusta will replace the flooring entirely or in part, depending on the damage, or replace the flooring with a similar product from Rusta's range. For repaired or replaced flooring, the warranty applies for the remaining warranty period.
- Rusta disclaims all liability for other damage in connection with the laying of flooring.

Care instructions

Laminate flooring should never be sanded, varnished or waxed. Light dirt is easy to clean up with a brush, vacuum cleaner or dry mop. Stains are best removed using a damp cloth. Use a mild detergent suitable for laminate flooring when wet mopping and dry with a cloth. Laminate flooring should not be treated with soap, floor wax or polish, as these products only form a film and attract dirt and dust.
